scientist charles darwin discretely opened the possibility of a purely animalistic origin for the human species he repeatedly insisted that the differences between humans and others were a question of degree only sciences were however taken in the opposite direction where these differences cannot have been generated by the natural processes of biological evolution in the animal in the secret world of darwin author michel bergeron discusses the effects on the sciences caused by the presence of questions on humanity only answerable with religious beliefs his investigation suggests that significant elements of perceived humanity have remained sufficiently narrowly defined to continue to agree with religious beliefs over the entire period starting with the scientific revolution centuries ago and reaching the present instead he questions could we be the simple animal who can only live on the belief not to be a simple animal to alleviate these biases on the sciences of life bergeron advocates a different synthesis between darwinism and lamarckism he further asks how can sciences pretend to a cosmology neutral in term of religious influence since all of its complex mathematical developments were made under the constraint that we can link the present directly to the big bang

this is the story of two young angels who enjoy watching the heavenly father s world of mankind through a heavenly porthole then an opportunity makes it possible for them to enter that world below and they become part of the angelic visitation at the manger of the christ child mary theresa s secret world is the first book published by author alta wolf she began the book in 1975 and shared it with friends it was put away but it was not forgotten in november of 2011 alta was rearranging her office and came across the manuscript she was impressed to type it into her computer and finally share it with those who love the ancient christmas story mary and michael came to life for alta when she was writing the story and they continue to be part of her family s christmas story

life magazine described the shaver mystery as the most celebrated rumpus that rocked the science fiction world its creators said it was a new wave in science fiction critics called it dangerous nonsense and labeled its fans the lunatic fringe whatever else the shaver mystery was it became a worldwide sensation between 1945 and 1948 one of the greatest controversies to hit the science fiction genre today these stories of the remnants of a sinister ancient civilization living in caverns under the earth are an all but forgotten sidebar to the historical record the shaver mystery began as a series of science fiction yarns in amazing stories nearly 70 years ago the men behind it ray palmer and richard shaver were derided and seldom understood by a fandom that did its best to sweep them under the carpet of history though ray palmer was one of the earliest and biggest names in sf fandom credited with many firsts in his field his fannish brethren have roundly ignored him thanks to the shaver mystery what is the truth behind these men and their mystery this is the question writers and editors that promoted the shaver mystery try to answer as they reveal the behind the scenes story of the phenomenon known as shaverism
